Technology and management to ensure sustainable agriculture, agro-systems, forestry and safety

Dear Colleague,

Please, note the following information:

Accommodation: The hotels availability is running out.

For this reason we advise you to book the rooms as soon as possible.

The room reservation was extended until the 25th of May. After this date the "Conference Organization" could not ensure the accommodation.

Programme Conference: On the CIOSTA website are now available the "Programme Conference" and the draft of the "Session Programme" (oral and poster). Please, check if the "Paper" that you have submitted is included in the list.

Oral Programme: Please, let us know if there are problems to attend the Conference, in order to avoid regrettable lack of presentation during the "Oral Session".

Purchase Reprint: It will be possible to purchase reprints for each paper published. If you are interested, please, fill the form that you find in the section NEWS of the website.

Please, remind that Papers of oral presentations and posters will be published in the proceedings of the Conference, if at least one of the Authors has paid the Conference fee.

Kind Regards
